

“I am absolutely honored that I was chosen to be a recipient of one of your scholarships. As a mother, returning to school would not have been a financially attainable goal for me without support from organizations such as Health Focus. This

funding has helped not only me as a student, but has lightened the financial burden for my family as I finish out full-time nursing school. Investing in students such as myself means that Health Focus of Southwest Virginia has made an investment in the future of this community. Thank you again for your financial support which has greatly aided me in reaching my goal of becoming a Registered Nurse.”

~**Jessica Plott, Jefferson College of Health Sciences, Accelerated BSN**~
